RE: CC Docket No. 96-45/WC Docket No. 10-90, Annual State Certification Support of
Eligible Telecommunications Carriers Pursuant to 47 C.F.R. § 54.314

Dear Ms. Dortch:

On September 14, 2015 the North Carolina Rural Electrification Authority notified the Federal Communications Commission (FCC) and the Universal Service Administrative Company (USAC) that the eight telephone membership corporations (TMCs) in North Carolina are eligible to receive high-cost support and we provided copies of affidavits which certify that the support was used appropriately for calendar year 2014 and would also be used in the coming calendar year (2016). The affidavit for Atlantic Telephone Membership Corporation (ATMC) was inadvertently omitted from that notification and we are attaching their affidavit for addition to the FCC's files and website.

I apologize for this inconvenience and if you should have further questions, please let me know.

Sincerely,

Frances Liles
Administrator – NCREA
